## ABOUT KEN HALL

At the forefront of orthopaedic footwear for over 50 years, Ken Hall manufacture an extensive range of modular, and fully bespoke footwear.

- 2 Our ranges include footwear for both adults and children, providing choice, quality and style. Our shoes are made in the UK and we use some of the latest technology to help achieve the great quality, style, fit and function that Ken Hall has become synonymous with.

## MADE IN BRITAIN

At Ken Hall we are proud of our British heritage, a legacy that we believe comes with a high level of expected service from our customers. We endeavour to provide excellence within all aspects of our company, from discovering what our customers orthotic needs are, producing the highest quality shoes to match their needs, and providing an excellent level of customer service and after-care that our customers expect and deserve.

With this in mind, we are also proud to say that our shoes are made exclusively in Britain. Manufactured in Kettering in the heart of the shoemaking industry, we combine skilled hand crafting with the latest modern technology to deliver superb quality products to our customers. What's more, we have been doing this since 1967, marking over 55 years of supplying great shoes to Great Britain.

It is a pleasure to know that we have been helping our customers to walk comfortably in our high quality hand crafted shoes, and we endeavour to continue to provide you with solutions to your orthotic requirements.
